

SIXTY FIFTH

Annual Dinner
at the
Grosvenor House Hotel
PARK LANE, LONDON

TUESDAY 14TH MARCH 2023

AN EVENING OF AWARDS, NETWORKING & ENTERTAINMENT

WWW.PIPEGUILD.COM

SIXTY FIFTH

Annual Dinner

THE BIGGEST EVENT IN THE GUILD'S YEARLY CALENDAR, AND HERE'S WHY...

If you ask any leading figures in the pipeline industry to name the one must-attend networking event in the calendar, the answer is simple, The Pipeline Industries Guild's Annual Dinner.

In its 65th year, this leading event simply packs more people of influence into one room than any other. It's your opportunity to eat, drink and celebrate the industry with energy, utility and infrastructure professionals. And you, your clients and colleagues can do all that in the magnificent surroundings of the Great Room at the Grosvenor House Hotel, London. It's your opportunity to eat, drink and celebrate the industry with energy, utility and infrastructure professionals. And you, your clients and colleagues can do all that in the magnificent surroundings of the Great Room at the Grosvenor House Hotel, London.

The Guild welcomes bookings for full tables, half tables and individual places. Smaller parties and individual bookings will be asked to share tables, as this will enhance networking and socialising.

**Doors open 6.30pm | Dinner starts at 7.30pm | Dinner formally concludes 11.00pm |
Networking Opportunities until 2am**

Remember - WE SOLD OUT IN 2022 - this one's not to be missed. See you there!

THANK YOU TO OUR ANNUAL DINNER SPONSORS:

GUEST SPEAKER

SIR LENNY HENRY

Sir Lenny Henry began his career at the age of 16, rising from being a cult star on children's television to becoming one of Britain's best-known comedians, as well as a writer and an award-winning actor.

First finding fame as a comedy impressionist on a 70's TV talent show, Lenny has appeared in numerous TV shows, and selling-out live stand-up tours in the UK, Australia and New Zealand. His work has won him many awards including the Monaco Red Cross and The Golden Nymph Award at The Monte Carlo Television Festival, the Radio & Television Industry Club Award for BBC Personality of the Year, The Golden Rose at the Montreux Television Festival and a Lifetime Achievement Award at the British Comedy Awards.

In 2009 Lenny made his West End acting debut in the role of Othello in the Northern Broadsides production at the Trafalgar Studios. His portrayal won him huge critical acclaim and the London Evening Standard's Milton Shulman Award for Outstanding Newcomer. Other stage roles Lenny has been praised for include Antipholus of Syracuse in The Comedy of Errors and August Wilson in Fences. Over recent years Lenny has been more present on our screens, appearing in dramas including The Syndicate, The Long Song and Broadchurch. Lenny also features in the Amazon Prime Lord of the Rings prequel, The Rings of Power streaming from September 2022.

Lenny was awarded a knighthood in the Queen's Birthday Honours for services to charity and drama, which he received in 2015.

The following year, Lenny was awarded a fellowship of the Royal Television Society, alongside a Judges Award for his work raising awareness of diversity within the television industry. He was also honoured with the Alan Clarke Special Award in recognition of his outstanding creative contribution to television at the 2016 BAFTA Awards.

Alongside his work on stage and screen, Lenny is probably best known for his role in Comic Relief, the charity he co-founded with Richard Curtis in 1985. Lenny is also a vocal advocate of Diversity in the Arts and in 2018, having completed a course at Royal Holloway University of London, Lenny received a PhD in Media Arts.

CHARITY

Dementia UK is the specialist dementia nurse charity. Our nurses, called Admiral Nurses, offer life-changing support for families affected by dementia.

As dementia specialists, Admiral Nurses help families manage complex needs, considering the person living with dementia and the people around them. They provide tailored clinical advice and psychological support; advise people about benefits and financial issues; support families in their caring role; and help build links with other health and care professionals.

Admiral Nurses work in the community, in hospitals and hospices, on the Dementia Helpline, and in Closer to Home virtual clinics. They are continually supported and developed by Dementia UK. For families facing dementia, they can be a lifeline.

“Our nurse was amazing. She gave us a 45-minute video appointment and completely understood what we were going through. Her advice was really helpful and relevant – much better than we have had from other services in the last three years.” Family carer

We urgently need to grow the number of Admiral Nurses across the UK so more families can access the specialist dementia support they need and deserve – and we can only do that because of our supporters’ generosity.

Thank you so much for your support – with your help, no one will have to face dementia alone.

BOOKING CONDITIONS

1. The Pipeline Industries Guild Annual Membership Fee must be paid prior to attending
2. Upon receipt of full payment Tickets will be posted to the delivery address as supplied 4 weeks prior to the event. Any changes to bookings after the 14th February 2023 will mean tickets will not be posted out and will be available to collect on the day from the concierge at the Grosvenor
3. To ensure exclusivity of a table a minimum of 10 tickets must be purchased. A Table can seat up to 12 Guests. If fewer than 10 tickets are booked you will be asked to share your table

ANNUAL DINNER BOOKING FORM KINDLY SPONSORED BY...

Rayden Engineering Ltd is a family run Mechanical & Civil Engineering business which has been providing professional services to clients for over 40 years. A long-standing supporter of The Guild, we specialise in the fabrication and build of high-pressure pipework systems - primarily for the oil, gas, petrochemical and water industries.

From small projects to large scale critical infrastructure and supply networks, we provide a complete turnkey, fully project managed service - from initial design phase to build, right through to reinstatement, handover, and aftercare.

We've built an enviable reputation across the industry for the quality and reliability of our work and the strength and depth of our people's skills and capability. Our core business focuses on the Pipeline Industries, but we serve a much broader range of sectors.

Working with some of the biggest names in the industry - from local small enterprise right up to global blue chips - we design, make, build, install and maintain some of the nation's most critical infrastructure and supply networks.

Our fully accredited and highly experienced team has delivered hundreds of successful projects over the years, both nationally and overseas, including cross-country pipelines and diversions, hot-tap operations (welding & under-pressure drilling), AGI construction (all civil & mechanical works), custom inhouse fabrication with final installation and commission with any related civil works.

To learn more about us or to get in touch about your next project please call 0115 930 9606 or visit www.raydenengineering.com
